

The background is a vibrant, textured illustration of a beach scene. At the top, a blue sky with soft, white clouds features a seagull in flight. Below the sky, a large, grey beach umbrella with a yellow and brown striped canopy stands on the left. In the middle ground, a wooden rowboat with a white sail and a red stripe is on the water, with a seagull perched on its edge. The foreground shows a sandy beach with a striped deck chair, a beach ball, a glass jar with seashells, and several individual seashells scattered around. The overall style is whimsical and artistic, with a focus on summer beach themes.
